

**Assessment Plan Table
Hobe Sound Bible College
Bible/Theology/General Christian Studies
Mrs. Faye Parsons**

Objectives	Assessment Criteria & Procedures	Assessment Results 2021-2022	Use of Results Planned for 2022-2023
1.To enable students to demonstrate growing in spiritual maturity, both intellectually and socially, through lives directed by the Holy Spirit.	When Theology of Holiness class (intellect) and Christian Service (social) are completed, 80% will score a C (77%) or higher.	Three traditional students completed this degree in Spring 2022 and 100% of students scored a C or higher in Theology of Holiness and 67% scored a C or higher in Christian Service.	Continue to provide excellent foundational and practical education.
2.To enable students to understand essential Christian theology and basic systems of doctrine, particularly the Wesleyan-Armenian system.	When Foundations of Faith Class is completed, 80% will score a C (77%) or higher.	Three traditional students completed this degree in Spring of 2022 and 100% of students scored a C or higher in Foundations of Faith.	Continue to provide students with an excellent understanding of essential Christian theology.
3.To provide a basic knowledge of general education that can be used in all areas of life.	When the General Education Core is completed, 80% will score an average of a C (77%) or higher.	Three traditional students completed this degree in Spring 2022 and 67% of students scored an average of C or higher on the General Education Core.	Continue to provide excellent basic knowledge of general education. Work with faculty on determining the area of struggle in the core courses.
4.To enable students to enter into their chosen vocation with a Christian world-view.	When the Philosophical Studies class is completed, 80% will score a C (77%) or higher on the Worldview Paper .	Three traditional students completed this degree in Spring 2022 and 100% of students scored a C or higher on the Worldview Paper in Philosophical Studies.	Continue to ensure that students develop and document a distinctly Christian worldview.
